Follow-up to Petition to Board of Managers
For extending the parking restrictions on the
5500 Block of Kirkside Drive

This document is to restate my request for the extension of the Parking Restrictions on the 5500 block of Kirkside Drive. The problem of multiple cars parking late in the afternoon until well into the evening continues to persist. After conversations with our neighbors Mr. James Calderwood who resides on Western Avenue and Bishop Bryan of the Seventh Day Adventist Church also on Western but bordering Kirkside Drive, we have agreed to a compromise time to be set at 7:00 p.m. in the evening. This would allow cars to park from 5:00 p.m. until 9:00 a.m. the following morning.

However, Nancy Matthews (5501 Kirkside Drive) and I still prefer to extend the restriction until 9:00 p.m. to effectively eliminate any visitor parking over 2 hours, thereby discouraging people from using our block to go to the metro or to use the nearby restaurants and movie theater at Mazza beyond the 2 hour time limit. Bishop Bryan's concern is that occasionally there are large church meetings which start early and go over two hours. I support the church and would only suggest that the Church need make a phone call to the village police on those infrequent occasions so that no parking tickets would be issued during those events. Mr. Calderwood's concern is that he would not want any guests of his to be ticketed if they were to park there before 7:00 p.m. Again, on the occasions in which that might occur, I suggest that a phone call to the police would alleviate that problem.

Thank you,

Respectfully submitted,
